MEMORANDUM FOR: Deputy Director/Intelligence

SUBJECT: Proposed External Research Project for  
Exploitation of Unclassified Soviet  
Publications on Rail Transport

1. ORR subscribes in the need for the attached FDD/00 proposed external research project, dated 19 April 1956, and concurs in the recommendation that approval be granted for initiation of the project.

2. ORR likewise concurs in recommendation b of the attached proposal which calls for the transfer of funds [REDACTED] from ORR to FDD to cover the cost incurred under the project during the remainder of fiscal year 1956.

3. With respect to recommendation c in the attached proposal, it is felt that the funds in the amount of [REDACTED] for fiscal year 1957 should be reflected in FDD's operating budget for fiscal year 1957 rather than calling for a transfer of funds from ORR. This is based on the fact that the proposed project is "exploitation" in nature and is properly within the mission of FDD, not ORR.
